# Missions Prayer Guide

Join Us for a  
4-Week Prayer Cycle

## Our Heart for Missions

ccdelco partners with established organizations that are making an impact in ***Delaware Valley Communities and the world***. Our mission's philosophy is to empower local communities and churches to equip people to **serve Jesus Christ** and ignite a community around the gospel. These partnerships focus on evangelism, discipleship, church planting, leadership development, and humanitarian relief.
